

## High Honor Roll

- 6th Grade** Margaret Casale  
Braiden Gusick  
Quillen McPherson  
Dahlia Kuri  
Stella Kuri  
Shannon Logue
- 7th Grade** Brooklyn Clabaugh  
Kaydance Meixel  
Elliott Drajem  
Savannah Snyder
- 8th Grade** Kane Meixel  
William Reed
- 9th Grade** Justin Crosby
- 10th Grade** Harrison Carnicom  
Nina Cox  
Breanna Nixon
- 11th Grade** Avery Androvette  
Angelo Birch  
Joshua Lovell  
Kaidance Meixel  
Joseph Pontious  
Sophia Reid
- 12th Grade** Gabriel Cendoma  
Adelyn Dawes  
Emma Gallew  
India Moss  
Giyannah Parlante  
Aidan Vogt  
Elizabeth Weller

## Honor Roll

- 6th Grade** Callan Bishop  
Connor Linn  
Colton Meixel  
Madelyn Weigle
- 7th Grade** Cameron Cummings  
Brycen Rauch  
Wade Smith
- 8th Grade** Avery Taddeo
- 9th Grade** Maveric Dunkleberger
- 10th Grade** Nicholas Bailey  
Connor Haswell
- 11th Grade** Gino Birch  
Lucas Bower  
Chase Wright
- 12th Grade** Joshua Hamilton

## Model UN 2024

By Nina Cox

This year at Neumann, our Model UN club found themselves at the Field House at Penn College. Our three teams had the countries of Mexico, New Zealand, and India. The preparation was exciting, doing lots of research to learn about these new countries' current events, and getting to understand someplace that we may not call home. Unfortunately, in the morning session this year, none of our teams' resolutions were passed. Everyone still had a fun time voting and getting the government experience, helping to pass resolutions.

The following students won the *Superior Delegate* awards at Model UN this year: Harrison Carnicom, Avery Androvette, Emma Gallew, Lucas Bower, and Josh Lovell.

## States or Bust

By Nick Bailey

Coming into a new season, a fresh Neumann boy's baseball team has adopted a new slogan, wearing bracelets that have a motivating message: *States Or Bust*.

## NHS Induction

Montoursville — On April 12<sup>th</sup>, five St. John Neumann students were inducted into Neumann's National Honors Society chapter. These inductees were: Harrison Carnicom, Nina Cox, Josh Lovel, Breanna Nixon, and Chase Wright.

# NHS Induction

**Continued from front**

National Honors Society is one of the second oldest student organizations in the country, having been founded in 1921, second only to Phi Beta Kappa. Despite its clear Pennsylvanian origin, as their seal uses the Pennsylvanian keystone symbol, it is active in the entire country, with 1.4 million members globally.

The Ceremony took place in Our Lady of Lourdes Parish. After all of the inductees had said the pledge to uphold the values of the National Honors society, they all received their certificates. These values are scholarship, character, leadership, and service.

Following the ceremony, NHS members, old and new, went to get ice cream. It was raining and the pavilion didn't have a roof for some reason, but the delicious ice cream made up for that.

## Model UN 2024

**Continued from front**

As a first time Model UN member, I definitely learned a lot and really enjoyed my experience, and I believe everyone else did as well. For next year's reference, if you even have the slightest interest in current events in our world, Model UN is definitely something you should consider trying! Even if you least expect it, you might end up loving it. I know I did!

---

## States or Bust

**Continued from front**

Although the boys are 4 and 6 so far this season, the team is still hopeful for a deep playoff run.

The Neumann team has four freshmen and two transfers into the program, leaving senior and captain of the team Aidan Vogt feeling optimistic about the team's future.

"Last year was a down year for us so this year was big for us," Vogt said. "We knew it would be a good year with good pitching coming up and we knew we'd have a good lineup so we knew that this year was our chance to make a deep run in the playoffs."

At the time of this interview, Neumann was 1 and 2. When asked about the season so far, Vogt was hopeful and confident that they'd continue to play hard despite losses to difficult teams to beat.

"We're playing tough," Vogt said. "We played two good teams this week. We started off rough against Bucktail, but we got a win though. We've got some tough ones coming up, but we should be able to bang it out."

Below are the following updated scores of the season so far:

- 4/13 Milton L 17-2
- 4/15 CMVT W 17-10
- 4/16 Millville L 5-1
- 4/19 Sullivan County W 9-4
- 4/20 Southern Columbia L 15-0
- 4/22 Northwest Area L 15-1
- 4/24 CMVT W 11-4

The boys play Bucktail 4/25 today.
